WEEKLY CURRENT

June 9, 2019

CURRENT SUNDAY SERIES

Let's be honest - there is a section in the Bible that many of us ignore. It's this obscure collection of a dozen books that fall under the category of "Minor Prophets." They are the prophets of God with unusual names like Haggai, Obadiah, and Habakkuk. They weren't popular then, and they're not so popular now.

These prophets were (and still are) often dismissed, but we believe that the wisdom, warnings, and insights they shared are incredibly relevant for us as we look into themes like grace, pride, integrity, and hope. So join us as we see what major messages God is saying to us through these minor prophets.

REACH GLOBAL HIGHLIGHT

Paul and Becky Nystrom serve together in Peru with Wycliffe Bible Translators. Paul has been given oversight responsibility for both translation and language projects and indigenous publications and distribution for Spanish speaking South America. Becky oversees post layout editing of Scripture and other publications. She edits and proofs numerous translation projects.

When you pray for the Nystroms, pray that Paul would integrate well in his South American projects, and that he and Becky would walk faithfully with God and be granted wisdom in attending to the needs of both projects and people.
