## WEEKLY CURRENT

June 30, 2019

### CURRENT SUNDAY SERIES

Let's be honest - there is a section in the Bible that many of us ignore. It's this obscure collection of a dozen books that fall under the category of "Minor Prophets." They are the prophets of God with unusual names like Haggai, Obadiah, and Habakkuk. They weren't popular then, and they're not so popular now.

These prophets were (and still are) often dismissed, but we believe that the wisdom, warnings, and insights they shared are incredibly relevant for us as we look into themes like grace, pride, integrity, and hope. So join us as we see what major messages God is saying to us through these minor prophets.

Find sermon notes, download video and audio, and see the list of worship songs for each Sunday online at [calvarylife.org/sermons](http://calvarylife.org/sermons)
