WEEKLY CURRENT

July 7, 2019

CURRENT SUNDAY SERIES

Let's be honest - there is a section in the Bible that many of us ignore. It's this obscure collection of a dozen books that fall under the category of "Minor Prophets." They are the prophets of God with unusual names like Haggai, Obadiah, and Habakkuk. They weren't popular then, and they're not so popular now.

These prophets were (and still are) often dismissed, but we believe that the wisdom, warnings, and insights they shared are incredibly relevant for us as we look into themes like grace, pride, integrity, and hope. So join us as we see what major messages God is saying to us through these minor prophets.

REACH GLOBAL HIGHLIGHT

After 30 years of ministry in Africa and Latin America, **Chuck and Susan Weatherstone** are two years into a new role with Mission Aviation Fellowship:

mobilizers for the southeastern USA. Their primary goal is to identify and shepherd a new generation of committed believers who feel called to serve with MAF.

When you pray for the Weatherstones, pray for safety in their frequent travels, wisdom in identifying those God is calling into missions, and for their adult children to honor God in everything they do.
