WEEKLY CURRENT

July 14, 2019

CURRENT SUNDAY SERIES

Let's be honest - there is a section in the Bible that many of us ignore. It's this obscure collection of a dozen books that fall under the category of "Minor Prophets." They are the prophets of God with unusual names like Haggai, Obadiah, and Habakkuk. They weren't popular then, and they're not so popular now.

These prophets were (and still are) often dismissed, but we believe that the wisdom, warnings, and insights they shared are incredibly relevant for us as we look into themes like grace, pride, integrity, and hope. So join us as we see what major messages God is saying to us through these minor prophets.

Find sermon notes, download video and audio, and see the list of worship songs for each Sunday online at calvarylife.org/sermons

REACH GLOBAL HIGHLIGHT

Chris and Rahnella Adsit create resources and provide training that offers Christ-centered healing for military personnel, first responders, their families, and civilians

who have suffered from trauma or war. They work with victims and leaders throughout the USA and parts of Africa, the Middle East, and the former Soviet Union that are currently dealing with atrocities and genocide.

Pray for the Holy Spirit to draw people to these groups for God's healing, and that God would raise up leaders within the veteran and first responders groups.
