WEEKLY CURRENT

July 28, 2019

CURRENT SUNDAY SERIES

Let's be honest - there is a section in the Bible that many of us ignore. It's this obscure collection of a dozen books that fall under the category of "Minor Prophets." They are the prophets of God with unusual names like Haggai, Obadiah, and Habakkuk. They weren't popular then, and they're not so popular now.

These prophets were (and still are) often dismissed, but we believe that the wisdom, warnings, and insights they shared are incredibly relevant for us as we look into themes like grace, pride, integrity, and hope. So join us as we see what major messages God is saying to us through these minor prophets.

REACH GLOBAL HIGHLIGHT

Dan and Tammy Gonzaga work with Intervarsity to minister to international graduate students and faculty at UCI and Chapman University, with particular attention to scholars from India and Iran.

They focus on developing witnessing communities that are either exploring God or being developed into disciples of Jesus. Much of the ministry involves building relationships through spiritual formation groups, outreaches, and conferences.

Pray for spiritual protection for the leadership team and their families in this ministry, as well as boldness and divine opportunities to proclaim the Gospel.
