

Questions for Reflection

Take some time after Session 1 to discuss these questions with your spouse or another adult who is involved in your child's life. Write down your thoughts. You'll have a chance to share these at the beginning of Session 2.

If you don't have someone with whom to discuss these questions, you will find they are also useful for journaling on your own.

1. Where do you see the Holy Spirit already at work in your child's life?

2. How might you come alongside and support what the Spirit is doing?

3. Have you been awakened to any ways in which you've been thwarting what the Holy Spirit wants to do in your home? If so, where have you been off track? What would you like to do differently?

Desires for Our Children

1. What are some of your desires for your child? What do you hope for his life? Think of both temporal (this world) and eternal things.

2. How do these desires compare with what God might want for him?
